

...and  
thus

the wicked  
Immortal  
vampire

Was sealed  
in the knight's  
sword for all  
eternity.

What do you  
think? Isn't the  
knight cool?

Louis, you  
can be the  
knight.

Why? You  
don't like  
the knight?

I like  
the  
vampire  
more.

...Lotta

Huh?

Do you  
know each  
other?

Is he  
perhaps

the one  
you've  
been  
looking  
for...?

Yes.

He  
is the one  
who turned  
me into a  
vampire

...and  
also, my  
brother.

이선영

The younger brother  
who appears before them  
as a Gourmet.

And the older brother  
who hunts Gourmets.

Is their reunion a prelude to disaster?

...where  
did you get  
that?

It's the  
building's  
pillar,  
why?

Stop  
tearing them  
off, this place  
will collapse.

Sa-  
...

Save  
me.

It's my first  
time coming  
here. I'm not  
like them...  
I surrender.  
Have mercy.

Please  
let me  
live.

The weakest-  
looking one  
should be  
persuadable.

You seem to be  
misunderstanding  
something.

바보야

The

aren't  
worthy of  
becoming  
research  
material.

As for  
me,

I prefer  
seafood.

Team

please  
decide.

This  
is  
hard.

Okay, I've decided!

...  
**AGAIN**

?!?  
ugh..

The scent of  
danger is getting  
stronger...

There  
are vampire  
hunters prowling  
outside.

It was a  
pleasure meeting  
you again here,  
but now I must  
leave. It's my  
policy to steer  
clear of  
troublesome  
things.

We  
could at  
least shake  
hands, right?  
Brother  
mine.

Sure.

How I  
missed  
you!

My  
dear little  
brother~

ASH!

Big  
brother ♥

UH  
AK

Isn't your  
greeting  
a bit too  
aggressive?

Affec-  
tionate  
brothers  
...?

What  
affectionate  
brothers.

Where  
!!!

Did you think  
I would forgive  
you after you  
turned me into  
a vampire and  
disappeared  
for 300  
years?

That was  
300 years  
ago, will you  
just let it  
go already?  
You are still  
so petty!

And to think  
that you are *the*  
Gourmet...

You've always  
managed to escape  
skillfully. However, not  
today. You bastard  
of a brother.

...You are so  
cruel. You really hit  
me. A weak little  
brother like me.

That was when  
we were humans.  
Stop acting weak even  
though you're a  
vampire

Besides, wasn't  
it always your dream  
to fight to your  
heart's content?

...You  
remem-  
bered.

... Just like that

# B O W

Please  
forgive  
me.

I sincerely  
apologise for  
nearly laying my  
unworthy hands  
on Master  
Carvel's  
properly.

The 8th Gourmet was caught.

... So  
easy!!

Case  
closed.

Too easy,  
it's  
suspicious  
!!!

...  
something  
is definitely  
off.

Louis...

You aren't hiding anything,  
are you?

We  
brothers

owe you  
for a lot of  
things,  
Master  
Carvel.

Thank  
you.

Don't  
be con-  
ceited.

This is  
only the  
first time  
you and I  
have met.

...Huh?

Seho?

Mano?

To think he  
is a vampire  
hunter...

It would  
be unwise  
to make  
reckless...

Nether  
vampires nor  
humans know  
of their true  
identities.

They  
sure are  
secretive.

Why  
are  
you  
here?

And  
what's  
with your  
blood-  
stained  
clothes...

Seho,  
what...

There are  
supposedly  
vampire  
hunters  
outside.

...kind  
of work  
are you  
doing?

I guess  
it makes sense  
since the  
previous uniform  
had become  
recognisable.

Not to  
mention,  
it'd make you  
stand out  
too much  
nowadays.

So that  
explains the  
change in  
attire.

Well,  
regardless  
...

Seeing as black  
gloves and masks  
are being used, I  
supposed you're  
still following the  
tradition.

There is  
that.

But basically,  
it's simply more  
convenient  
this way.

... Well, there  
you have it.

*haha...*

Sorry I didn't  
tell you before  
Mano.

But  
Seho...  
didn't  
you want  
to be a  
novelist?

... Tell  
me  
it's  
a lie.

'Course,  
I'm working  
on a new  
story right  
now.

It's about  
hunters

eradicating  
vampires.

It'll surely  
become  
a very  
interesting  
novel.

And it's  
all thanks  
to you.

*Doesn't it  
look like a  
vampire's  
nest?*

So Seho  
knew about it  
from the  
beginning

How much did I write...

*There is no  
information about  
the employees  
anywhere. Please  
investigate the place  
for me, Matsu.  
I want to use it  
as material for  
my novel...*

and used me?

...I  
remember  
now.

I recorded all  
the facts.

And back then, I...

knew of  
Carvel's weakness.

No matter  
how strong  
they are...

From just  
a single  
weakness.

Are  
you all  
right?

Mano  
...?

they all fell.  
I have seen  
them all  
and yet...

What have I done.

The top has ordered to dispose of any witnesses if necessary.

Should I erase all of them?

...Calm down.  
The mission takes priority.

We must capture him alive. He is at least a parasite worthy of being research material.

Honestly,  
I'm more concerned about that...

She is right.

Our current target is...

The sixth  
Gourmet.

You!

Hm, how  
odd. Up until  
now I've never  
been caught  
once. As much  
as I want to  
find out who  
the rat is....

Things  
have become  
rather too  
trouble-  
some!!

Corpses  
especially  
love it.

So much  
that they will  
rise from their  
graves for  
a sniff!

Have a wonderful  
evening, ladies and  
gentlemen...
